

WEB Information Packet for Texas LEARNS Administration

The WEB site at www.txlearns.com was developed to accompany the lessons for the Employability curriculum developed under contract by EPCC with the Texas Education Agency by the initiative of Texas LEARNS. It has been created as a highly interactive site to heighten learner engagement. In order to properly view and use the WEB site, the following software is recommended to be installed on your computer before accessing the site:

MS Internet Explorer 7 with all updates
Adobe Flash 9 with updates
Or
Mozilla Firefox 3
Adobe Flash 9 with updates

PART 1: Personnel, Developers, Consultants

The WEB site was developed under the content guidance of El Paso Community College by the University of Texas at El Paso Instructional Support Services. Their WEB site can be found at:

<http://academics.utep.edu/iss>

- The Director with whom we arranged the contract is: Sunay Palsole. ISS Director. He can be contacted at:

Sunay Palsole
Undergraduate Graduate Learning Center Ste. 326
915-747-5561
sunay@utep.edu

- The Project Coordinator for ISS was Vinayak Melarkod, Research Associate. He can be contacted at:

Vinayak Melarkod
UGLC Rm.324
915-747-8630
vsmelarkod@utep.edu

For the El Paso Community College, the following people contributed to the development of the materials.

- Sara Martinez, Rider 82 Project Director, SMart237@epcc.edu
- Kay Taggart, Curriculum Developer for Employability kayt51@hotmail.com
- Ann Savino, WEB Site Liaison for EPCC with UTEP ann.savino@gmail.com

PART 2: Host Companies, Contact Information, and WEB site duration

The following information pertains to the WEB site location and specific purchases related to the on-line site.

The site is hosted with: CWI Hosting.com

They are located at the following address, phone number, contact WEB site. The local contact person responsible for assistance is listed below:

HOST Company: CWI Hosting

Location: 6713 Viscount 2nd Floor | El Paso, TX 79925 |USA |

Phone/Email: 915-843-1223

On behalf of the El Paso Community College and the Texas LEARNS contract, UTEP ISS purchased the following domain names:

www.txlearns.com

www.txlearns.org

www.txlearns.net

All domain names are routed to the single host site listed as www.txlearns.com

The contract for the hosting for the WEB site is for two years. The cost for continuing the WEB site as it is currently hosted through the current company is \$120/ per year with a discounted rate of \$99 per year if purchased in units of two or more years at a time.

The LOG IN and administrative information will be provided when Texas LEARNS is ready to identify an appropriate contact to handle oversight of the WEB site.
