I was toting my pack along the dusty Amarillo road  
when along came a semi with a high canvas-covered load  
He said if you're going to Amarillo I'll give you a ride.  
So I climbed up into the cab and then I settled down inside.  
He asked me if I'd seen a road with so much dust and sand  
and I said "listen Bud, I've traveled every road in this here land"

I've been everywhere, man  
I've been everywhere, man  
I've crossed the deserts bare, man, breathed the mountain air, man  
Travel I've had my share, man  
I've been everywhere
