

Task Card Subject      GED Language Arts, Writing: Grammar (Semantic, Context Clues)

Topic: Appropriate Words and Expressions

Website URL: <http://www.chompchomp.com/presentations.htm>

Activity: You will use a pencil and a word choice quick test copy in this activity. Open the website and scroll down until reach "Appropriate Words and Expressions Skills" (2.1 FCB Set), on the right side click on Power Point (red color link). It will show up a dialogue window and click "Open", and a second dialogue window shows up, so click the "Read only" tab. The "word choice" power point presentation opens, so click the slide show icon on the bottom task menu to run the presentation. The student will review the examples advices recommended to select the right word that match within the context of the sentence(s). Throughout the presentation, the student will stop when reach the "Quick Test" Slide and will take the "choice quick test copy" from the teacher desk.

Follow-Up Activity: The students will solve the "choice quick test" copy for self-assessment practice. When the student finish, he or she will self-evaluate his (her) answers by comparing them with the answers included in the "Quick Test" Slides from the current presentation.
