Top 10 Hot Jobs in El Paso: 2009 - 2016

By [Patty English, MS](#)

6th Lead City in Job Listings

[El Paso](#) has become the 4th largest city in Texas and 6th in the state for employers that post the most openings on Internet job search engines such as Indeed.Com, SimplyHired, CareerBoard, and Monster.com.

El Paso enjoyed this upswing in jobs prior to the 2009 Stimulus [Funds](#) received from the American Recovery and Reinstatement Act. Afterward, workforce partnerships set about developing additional new jobs. This is forecast to boost the local economy for decades.

Major employers in El Paso are listing increasing numbers of positions in the career fields of Nursing (all levels, including [Travel Nursing](#)), **Management, Accounting, and Customer Service.**

The leading companies offering these jobs include healthcare organizations such as *Tenet Healthcare, Del Sol Medical Center, All About Staffing, Inc., Providence Memorial Hospital*, and the *US Army Criminal Investigation Command (ACIC)* - Like NCIS, but located within the US Army. Fort Bliss is a particularly large employer that expands continually every few years.

According the US [Bureau of Labor Statistics](#), El Paso gained 1,000 jobs in February 2009, even though unemployment was 8.2%; and gained 1,100 jobs in March '09. The potential for increasing numbers was demonstrated before the Stimulus Package funds were distributed for Employment & Training and projects requiring additional workers in El Paso Country.
