

Bloom's Taxonomy Small Group Assignments

1. Using pages 4-6 of *"Sit and Get Won't Grow Dendrites* and the Bloom's Taxonomy handout as guides, collaboratively write 2 questions for each domain on the reading *How Should People Seek Revenge On A Machine?*

Each domain is posted on 6 sheets of paper around room.

Move to each sheet and write your group's questions.

2. Develop a mnemonic device for remembering the 6 levels of Bloom's Taxonomy such as an acrostic making a silly sentence using the first letter of each component (see pages 49 - 51 of *"Sit and Get Won't Grow Dendrites.*)

Post your group's mnemonic device on the large sheet of paper on the wall labeled "Mnemonic Devices."
